

tentnology®

'INTENTS' RELIEF

**instant shelter
anytime anywhere.**

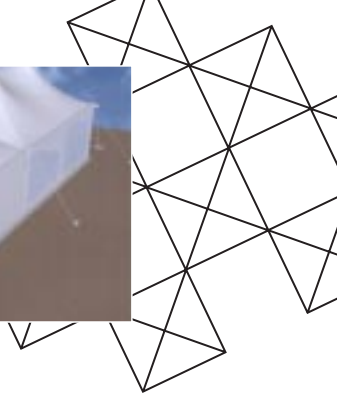

From earthquake zones and flooded homes to refugee camps and special missions - Tentnology® structures provide a safe haven.

Protect personnel, materials and civilians in portable structures produced with highest quality parts and craftsmanship in Tentnology's® ISO9002 certified plant.

Our award winning tents

Tentnology® tents have been field tested for 30 years in over 100,000 events around the world, winning numerous awards and distinctions. The same tentnology that has created this success can now apply in aid, emergency and military uses.
