Assembled tent

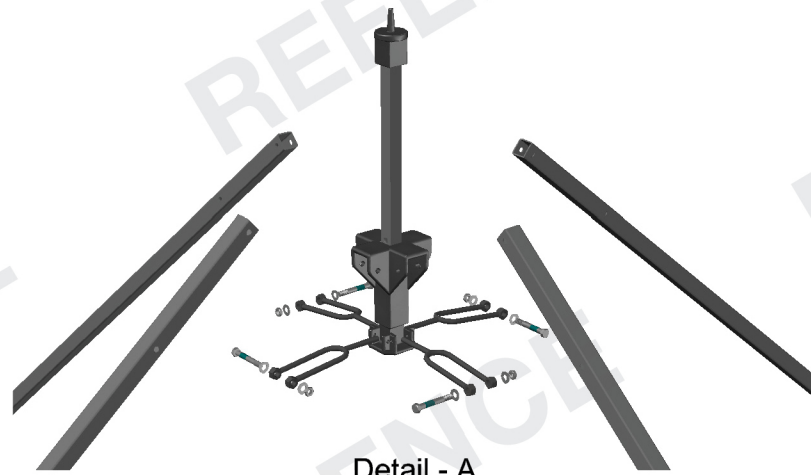

This drawing is for reference purposes only. Contact Tentnology® for specific details and site requirements.

Designed to meet or exceed the following requirements : Fabric conforms to Fire CPA184 with water repellent finish.
 User Note: Tent integrity is a direct function of installation quality. Follow installation instructions, adding stakes as conditions require. Do not exceed design parameters or local ordinances for public assembly. Stakes & guying indicated on this drawing may or may not be appropriate for soil & site conditions.
 When in doubt, consult local engineer. Dimensions shown in millimetres unless stated otherwise. **CLIMBING ON TENT CAN RESULT IN INJURY OR DEATH**
